

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION II

215531

DATE:

MAY 13 1991

SUBJECT:

Franklin Plastics Corporation, Kearny, New Jersey

FROM:

R. Salkie
Richard C. Salkie, Associate Director for
Removal and Emergency Preparedness Programs

TO:

Vincent Pitruzzello, Chief
Program Support Branch

Based on the analysis of the Field Investigation Team (FIT) activities, as presented in an October 19, 1990 memorandum from the Pre-Remedial and Technical and Support Section, a November 8, 1990 site reconnaissance and an ATSDR Health Consultation, the site is not removal eligible. The Removal Site Evaluation document is attached as a reference.

If you should have any questions or require further information please feel free to contact either Nick Magriples at FTS 340-6930 or John Witkowski at FTS 340-6739.

*Dennis: Any other followups
needed? If not, I assume
we put site in HRS evaluation
queue (unless ECRA change
drops it out). An extra copy
for your file. Do you normally
send Salkie a thank you or
acknowledgment letter.
